

SPEED UP RULES FOR TRI-COUNTY SPORTS EVENT

1hr 30 min drop dead time limit.

If inning is not completed then the score of the last completed inning will be recorded as the final score for the game. Please show good sportsmanship in this hurry up situation.

The rules below are put in place to hopefully discourage teams from stalling the game.

- 1-Games will start within 10minutes of previous completed game. Please after your game, vacate dugouts quickly to allow incoming teams time to get settled.
- 2-No time outs while you are on offense unless it is to run for catcher and pitcher or due to injury.
- 3-No time outs on defense unless it is due to injury.
- 4-No free visits to mound by a coach, if you visit a pitcher you must replace him. Remember a new pitcher only gets 8 warm up pitches.
- 5-No throwing the ball around after and out is recorded.
